DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2017

The directors present their report and the financial statements for the year ended 31 December 2017.

Principal activity

The activities of the company are:

1) To develop, operate and manage systems and processes capable of recording, capturing and making available on a database such details of employers' liability insurance policies written and/or capable of having effect in the United Kingdom as the membership may determine necessary from time to time and ultimately which are likely to contribute to and assist with the successful tracing of employers liability policies for the mutual benefit of:

(a) Claimants that have suffered injury during the course of employment and are unable to trace an employer's insurer for the purposes of pursuing a claim;

(b) Insurers seeking to identify other insurers holding employers' liability policies in respect to any claim or potential claim for the purposes of establishing whether any grounds for joint and several liability exist; and

(c) Such other individuals, partnerships, associations, bodies or corporations as ELTO may determine from time to time on giving consideration to the objects.

2) To take action as may be required to assist in identifying employers operating without such employers' liability insurance as required by law in the United Kingdom.

3) To act as arbitrators or mediators or to nominate arbitrators or mediators for the settlement of disputes and to pay, satisfy or compromise any claims made against ELTO which it may seem expedient to pay, satisfy or compromise.

Directors

The directors who served during the year were:

Steven Browne
Ashley Boardman
Robert Donovan
Anne Griffiths
Roland Jackson
Richard Jeffs
Matthew Lacy
Stephen Lewis (resigned 31 December 2017)

DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2017

Directors' responsibilities statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Results

The profit for the year, after taxation, amounted to £NIL (2016 - £NIL).

Disclosure of information to auditors

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Post balance sheet events

There have been no significant events affecting the Company since the year end.

DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2017

Auditors

The auditors, Nexia Smith & Williamson, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

Small companies note

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EMPLOYERS' LIABILITY TRACING OFFICE

Opinion

We have audited the financial statements of Employers' Liability Tracing Office (the 'company') for the year ended 31 December 2017 which comprise the Statement of comprehensive income, Balance sheet and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EMPLOYERS' LIABILITY TRACING OFFICE
(CONTINUED)**

Other information

The other information comprises the information included in the Directors' report and financial statements, other than the financial statements and our auditor's report thereon. The Directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement set out on page 2, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EMPLOYERS' LIABILITY TRACING OFFICE
(CONTINUED)**

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

EMPLOYERS' LIABILITY TRACING OFFICE
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER
2017

1. Accounting policies

1.1 Basis of preparation of financial statements

Employers' Liability Tracing office is a company, limited by guarantee, incorporated in England and Wales. The registered office is Linford Wood House, 6-12 Capital Drive, Linford Wood, Milton Keynes, MK14 6XT.

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The Company has taken advantage of the exemption available under FRS 102 as a small entity of the requirements of Section 7 Statement of Cash Flows.

1.2 Revenue

Turnover represents contributions received or receivable from members. Turnover has been recognised during the year based on the amount the company is entitled to invoice by way of a levy which in turn is based on the costs incurred by the company (paid and accrued). This reflects the articles of association, under which the company is entitled to recharge all costs on to members.

1.3 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Office equipment	- 3 years straight line
------------------	-------------------------

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Comprehensive Income.

1.4 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

EMPLOYERS' LIABILITY TRACING OFFICE
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER
2017

1. Accounting policies (continued)

1.5 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

1.6 Financial instruments

Financial assets and financial liabilities are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

Trade and other debtors and creditors are classified as basic financial instruments and measured at initial recognition at transaction price. Debtors and creditors are subsequently measured at amortised cost using the effective interest rate method. A provision is established when there is objective evidence that the company will not be able to collect all amounts due.

Cash and cash equivalents are classified as basic financial instruments and comprise cash in hand and at bank, short-term bank deposits with an original maturity of three months or less and bank overdrafts which are an integral part of the company's cash management.

Financial liabilities and equity instruments issued by the company are classified in accordance with the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs.

Interest bearing bank loans, overdrafts and other loans which meet the criteria to be classified as basic financial instruments are initially recorded at the present value of cash payable to the bank, which is ordinarily equal to the proceeds received net of direct issue costs. These liabilities are subsequently measured at amortised cost, using the effective interest rate method.

1.7 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

1.8 Finance costs

Finance costs are charged to the Statement of Comprehensive Income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

1.9 Research and development

Research and development expenditure is written off in the year in which it is incurred.

11. Related party transactions

A member of the board of Employers' Liability Tracing Office is also board member of an insurance company that utilises the ELTO database. The insurance company pay a levy to ELTO and the transactions are carried out on an arm's length basis. The board member's involvement grants no benefit to the individual or their associated entities.

12. Controlling party

Given the fact that the company is limited by guarantee, there is no controlling party.

APPENDIX II

**INDEPENDENT ASSURANCE REPORT TO THE DIRECTORS OF EMPLOYERS' LIABILITY TRACING
OFFICE ON THE REQUIREMENTS OF ICOBS 8.4.9 OF THE FCA HANDBOOK IN RESPECT OF THE YEAR
ENDED 31 DECEMBER 2017**

1. In accordance with the terms of our letter of engagement dated 4 April 2018, we have been commissioned by the directors of Employers' Liability Tracing Office Limited ("the Company") to perform an independent reasonable assurance engagement in respect of the requirements of ICOBS 8.4.9 of the FCA Handbook effective as at 31 December 2017. ICOBS 8.4.9 requires an auditor satisfying the requirements of SUP 3.4 and SUP 3.8.5 R to SUP 3.8.6 R, to provide an independent assurance report to the directors of the Company addressing the accuracy and completeness of the Database as defined in paragraph 2 below for the year ended 31 December 2017.
2. The database maintained by the Company comprises information provided to it by the members of Employers' Liability Tracing Office ("the Underwriters"). Under the FCA regulations (ICOBS 8.4), it is the responsibility of the Underwriters to ensure that information provided to the Company is accurate and complete. Underwriters provide information to the Company by uploading their own information onto the database. The Company then has responsibility to ensure that it maintains a database which accurately and reliably stores information submitted to it by the Underwriters for the purpose of complying with the FCA regulations and has systems which can adequately keep it up to date in the light of new information provided to the Company by the Underwriters. Any reference in this report to accuracy and completeness of the Company's database relates only to the accurate and complete maintenance of data uploaded to the database by the Underwriters.
3. For the purposes of this report, a 'material error' is an error in a data field which would significantly affect the outcome of a search by an external user of the database. We have determined for the purposes of this report that materiality is defined as the occurrence of errors at a rate of 1% or more in the specific population which is subject to a test or other procedure.

Respective responsibilities of the Directors and Nexia Smith & Williamson

4. The Directors of the Company are responsible for the Company's policies for the accuracy and completeness of the Database and for ensuring that the Company complies with all relevant requirements of the FCA including those of ICOBS 8.4.9 in order to meet the requirement of a Qualifying Tracing Office.
5. The Directors of the Company are responsible for preparing a certificate stating whether the Company has complied with the requirements in ICOBS 8.4.9 (1) to (6) in relation to the year ended 31 December 2017. The directors have included their report in this published annual report.
6. As set out in paragraph 1, our responsibility is to form an independent opinion based on our assurance procedures, addressing the accuracy and completeness of the database for the year ended 31 December 2017.
7. This report, including our opinion, has been prepared for the Company to assist the Directors in complying with ICOBS 8.4.9 of the FCA Handbook. As required by ICOBS 8.4.7 1(b), we permit the disclosure of this report by the Directors in their published annual report to enable the Directors to demonstrate they have discharged their governance responsibilities by commissioning an independent assurance report in connection with those requirements of ICOBS 8.4.9 that relate to the accuracy and completeness of the Company's database. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company for our work or this report save where terms are expressly agreed in advance and with our prior consent in writing.

EMPLOYERS' LIABILITY TRACING OFFICE
(A Company Limited by Guarantee)

Scope of assurance work

8. We conducted our reasonable assurance engagement in accordance with International Standard on Assurance Engagements – 'ISAE 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information' issued by the International Auditing and Assurance Standards Board.
9. Our work included examination, on a test basis, of evidence relevant to the accuracy and completeness of the Database for the year ended 31 December 2017. We planned and performed our work so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence on which to base our opinion in respect of the accuracy and completeness of the Database for the year ended 31 December 2017.
- Our work included the following procedures:
- Making enquiries of relevant management;
 - Evaluating the design and implementation of the key processes and controls for the accuracy and completeness of the database for the year ended 31 December 2017;
 - Testing, on a sample basis, the preparation and maintenance of the Database using a combination of compliance and substantive procedures; and
 - Obtaining written representations from management.

Inherent and other limitations

10. Non-financial information is subject to more inherent limitations than financial information, given the characteristics of the subject matter and the methods used for determining such information. The absence of a significant body of established practice on which to draw allows for the selection of different but acceptable assessment and evaluation techniques which can result in materially different outcomes and conclusions and can affect comparability. The precision of different assessment and evaluation techniques may also vary. Furthermore the nature and methods to determine such information, as well as the assessment and evaluation criteria and precision thereof may change over time.

Our reference to accuracy and completeness of the Company's database relates only to the accurate and complete maintenance of data uploaded to the database by the Underwriters. Accordingly, our assurance work has not included an examination of the data uploaded to the database by those firms required to maintain an employers' liability register under ICOBS 8.4.4 of the FCA Handbook.

Our assurance work has not included examination of the derivation of the information contained within such employers' liability registers nor upon any other third party information.

Conclusion

Based on the results of our procedures, in our opinion, the database is complete and accurate in all material aspects as regards to the maintenance of data uploaded to the Database by the Underwriters, at the year ended 31 December 2017, and that there are systems in place which can adequately keep the database up to date in the light of new information provided by the Underwriters, in accordance with the requirements of ICOBS 8.4.9 of the FCA Handbook.
